Editor-in-Chief

It is a matter of happiness that Central Library is publishing “Agra University Journal of Research-Science”.

My greeting and best wishes are extended to all our Authors, Referees, Readers, Members of Editorial Board and Advisors for making the journal of world standard.

The scientific aspects will continue to be the responsibility of Editorial Board. The journal has on-line submission, referring and further processing of the manuscripts resulting in quicker publication and availability to a larger segment of scientific community. The contributors would be able to monitor continuously the progress of their manuscripts. It should lead to improved impact of published Articles.

I shall welcome the valuable suggestions given by the Editorial Board Members for improvement in the quality of the Journal.

(Prof. P. N. Saxena)
